Professional Summary

Enthusiastic and detail-oriented Frontend Developer passionate about building visually appealing and user-friendly web applications. Skilled in translating ideas into responsive interfaces using HTML, CSS, JavaScript, and React. Currently enhancing skills in UI design while seeking opportunities to learn, collaborate, and grow through real-world projects and mentorship.

Skills

- HTML, CSS, JavaScript, and React
- Responsive web design and UI/UX principles
- Version control (Git & GitHub)
- Great Communication Skills
- Microsoft Office Suite
- Empathy, multitasking, and problem-solving

Professional Experience

Frontend Intern – Flexisaf Internship Program (March 2025 – August 2025)

- Developed a dynamic MoodBot is a web app that integrates with RESTFUL APIs, enabling user sign-up/login and mood tracking interface using Fetch API and asynchronous Javascript.
- Build interactive web applications from scratch using HTML, CSS and JavaScript, a sound-enabled drum machine with volume and toggle controls.
- Collaborated with team members on GitHub, practicing effective version and clean code documentation.
- Strengthened problem-solving and debugging skills using browser developer tools and console-based testing.

3MTT Capstone Project – Frontend Developer (2024)

- Collaborated with a team to design and develop a well-based application aimed at improving communication process.
- Built interactive and mobile responsive user interface components using HTML, CSS, and JavaScript
- Utilized Git for version control and maintained a clean, well-documented codebase on GitHub.

- Presented the final project to mentors and peers, explaining technical decisions and overcoming development challenges.

Administrative Assistant – Immersia Virtual Reality Studio (2024 – 2025)

- Assisted in administrative and client-facing tasks in a tech-driven environment.
- Maintained communication with clients and improved workflow efficiency.
- Supported team operations, demonstrating adaptability and attention to detail.
